Under 6 Brown B

U6 Redbacks Brown B vs Redbacks A

Player of the match – Elise Bell
Player of the week – Jayden Oliver

What a beautiful morning for a soccer match. The Brown B's were without Lochi, their coach and manager this week but they had some very skilled fill in's, Rach, Ian & Jeff – Thanks guys.

Goals this week went to Max & Raymond well done boys nice work. Jayden played very hard unlucky not to convert his efforts. Elise & Zach did not stop running around the field chasing & dribbling the ball like champions.

Great match Brown B's.

Under 6 Purple

Redbacks versus North Epping Rangers

Player of the Week: Sophie 'Superstar' Stewart
Achievement Certificate: 'Lightning' Lachlan Moloney

In what turned out to be a surprisingly pleasant morning (when the sun came out) at View St, our U6 Purple legends put in another stellar performance, with all players contributing in a strong team effort.

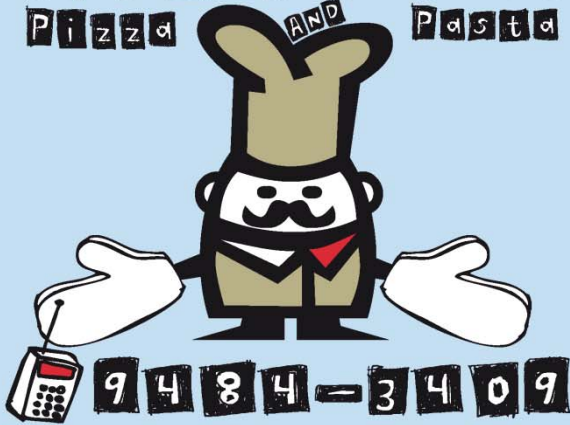

There were plenty of goals scored on the day from both teams and also some great defensive plays. These defensive aspects are particularly pleasing to see as it shows that the kids are continuing to develop their game awareness and reading of the play. Jumping Jack was outstanding in this regard and was regularly the first one back providing strong cover defence.

Skills highlight of the day was definitely Ryan Rockstar with not one, but two perfectly executed pull backs which wrong footed his opponents and allowed him and his team mates to drive the ball forward.

Jedi Jude is continuing to show he is gaining an appetite for this great game and is developing a straight running style that 'cuts through' the packs and gives him space to drive at the goals.

Awesome continues to provide positive on-field support – he is like a mobile cheer squad for his mates! His big kicks are also becoming a force to be reckoned with and will be very valuable as his career progresses.

Lightning again showed he is light on his feet and is becoming adept at ducking in and around his opponents to get the ball. He chimed in with a lovely goal this week and got a well earned achievement certificate – go Johnny's Pizza!

Sophie was in every play and was all over the field this week and was deserving of her player of the week.

The funniest moment of the day was when parents of both teams realised there were Lachlans, Ryans and Jacks on both teams, all on the pitch at the same time. It must have seemed to the kids that everybody was cheering for them!

Have a great holiday everybody

GO PURPLE REDDIES!!

Under 8 Green

The Under 8 Greens had a bright start to their game with Eoin, Josh and Brodie attacking their goal many times in the first few minutes. When Hunters Hill finally managed to break out of their half, Jakob snuffed out this attack as well as subsequent attacks at goal. The Under 8 Greens stuck to their game plan of playing in position and regularly put pressure on the Hunters Hill defense. Eventually Josh scored the first of his TWO great goals after intercepting a goal kick. Nikhil made a number of darting runs which off-footed the competition and made it possible for his team mates to score. Danielle chased everything that came her way in her defensive position. Louis made a number of daring and important tackles next to Danielle. Liam quietly and confidently played his role as sweeper.

The game was very exciting and the level of teamwork shows how far the team have progressed over the past few months. Jakob truly deserved Player of the Week due to the sheer number of great saves and Liam took away Player of the Match for playing his position so well.

Under 8 Yellow

A good effort from the boys this week against strong opposition. Last time we played them it was a battle end-to-end and the only difference was they converted their chances while we were unable to. This time around their keeper seemed to be the difference between the two teams, making some great saves to keep them in the game. We had some good break-aways with good through balls from defense to mid to attack. Two goals from Joseph as well as his now customary shot against the post wasn't enough to match the three goals put away from Redfield. Player of the match went to Jai for a number of barn-storming runs which he was unfortunate not to score from. ShamyI was particularly strong in the tackle and deserves special mention, and the industry of Max was again on show. Bad luck boys; we should just lament the fact that the goals aren't a couple of cm's wider!!!

Redbacks vs Epping Eastwood FC Lost 2-0

It was a beautiful sunny day after the threat of rain from night before. Redbacks were keen for a win after a disappointing loss the week before. As with many games played this year the game seemed to be very even. Our attack and defence again were very strong but we just couldn't seem to get the ball into the net. Alana and Jordan put in a great effort against the pressure of the opposition. As always Jackson and Jack made brilliant saves in the goals. Of particular note was Jack's save against a very solid strike in the second half. However, the team was unlucky to succumb to a couple of run away goals, one in the first half and another in the second.

As with most games this season Joshua P played with plenty of effort and enthusiasm and was unlucky not to score. This level of commitment was rewarded with the player of the match award.

Redbacks vs. West Ryde Rovers

Another bright and early start for the team (and parents) with an 8.15 am game. We encountered a ferocious start by West Ryde, resulting in some heavy defending by the REDS, as West Ryde challenged by coming forward. Luke stood up to the Rovers and saw them off – with an early corner to the Rovers.

The REDS gradually worked the ball forward but were also repelled by a tight defence. Another push forward by the Rovers saw a ball skimming across the goal face. Another 3 attempts at our goal resulted in misses due to the great pressure the REDS applied defensively. In the closing minutes some great runs by Josh playing right attack, were all repelled by the Rovers, resulting in a Nil All score at half time; with the Rovers having more of the possession.

The second half started in the same manner as the first, with the Rovers on the attack early. An error while in possession allowed the Rovers' striker to make a good run and score the first goal of the game. Not long after that the Reds went forward, applying great pressure which resulted in a corner. The corner was taken sending the ball into a good position, where Blake took a shot that deflected back to him and then he blasted the shot, resulting in the ball hitting the crossbar and bouncing into the back of the net for a goal - one all.

The game became a mid field battle, with the ball moving up and down the pitch with our boys showing great skill when on the ball and applying great pressure on the opposition. Matthew made some great saves to keep the score level. Towards the end of the half the Rovers applied tremendous pressure on our back line and a great shot by the Rovers resulted in their second goal.

The Reds kept their heads up and kept pressing forward to try and level the game. A great tussle ended in a 1-2 loss but as coach Romeo said the boys had a great game against one of the best teams in the comp, again showing the fantastic improvement as they have progressed during the season.

A well deserved Man of the match went to Blake getting out of his sickbed to play.

Under 12/1

Redbacks Vs All Saints Hunters Hill , Lost 0-1

It was a very close match with a mere goal separating the two teams. The boys had a solid start ensuring minimal goal opportunities for All Saints. Redbacks had several opportunities but were unlucky not to score.

In the second half the Redbacks came out flying putting serious pressure on All Saints. Failing to capitalise All Saints came back and scored off a corner.

The final score was 0-1, but it was a great game to watch.

The man of the match was Methila.

Well done boys!
